

NOTICE OF INTENT

Department of Environmental Quality
Office of the Secretary
Legal Affairs Division

Correction of Term Used for Version of Permit
(LAC 33:III.531) (AQ268)

Under the authority of the Environmental Quality Act, R.S. 30:2001 et seq., and in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., the secretary gives notice that rulemaking procedures have been initiated to amend the Air regulations, LAC 33:III.531 (Log #AQ268).

LAC 33:III.531.B.3 incorrectly uses the term "draft permit" to denote the version of the permit being referred to in the regulation. "Draft permit" is not defined in LAC 33:III.Chapter 5. "Proposed permit" is the term defined by LAC 33:III.502 and used elsewhere in Chapter 5 to denote the version of the permit for which the department offers public participation, affected-state review, or EPA review. This rule revision will correct the error. This rule is also being proposed as a revision to the Louisiana State Implementation Plan for air quality. The basis and rationale for this rule are to correct the term used to denote a proposed permit the department offers for public participation, affected-state review, or EPA review.

This proposed rule meets an exception listed in R.S. 30:2019(D)(2) and R.S. 49:953(G)(3); therefore, no report regarding environmental/health benefits and social/economic costs is required. This proposed rule has no known impact on family formation, stability, and autonomy as described in R.S. 49:972.

A public hearing will be held on July 25, 2006, at 1:30 p.m. in the Galvez Building, Oliver Pollock Conference Room, 602 N. Fifth Street, Baton Rouge, LA 70802. The hearing will also be for the revision to the State Implementation Plan (SIP) to incorporate this proposed rule. Interested persons are invited to attend and submit oral comments on the proposed amendments. Should individuals with a disability need an accommodation in order to participate, contact Judith A. Schuerman, Ph.D., at the address given below or at (225) 219-3550. Free parking is available in the Galvez Garage with a validated parking ticket.

All interested persons are invited to submit written comments on the proposed regulation. Persons commenting should reference this proposed regulation by AQ268. Such comments must be received no later than August 1, 2006, at 4:30 p.m., and should be sent to Judith A. Schuerman, Ph.D., Office of the Secretary, Legal Affairs Division, Box 4302, Baton Rouge, LA 70821-4302 or to FAX (225) 219-3582 or by e-mail to judith.schuerman@la.gov. Copies of this proposed regulation can be purchased by contacting the DEQ Public Records Center at (225) 219-3168. Check or money order is required in advance for each copy of AQ268. This regulation is available on the Internet at www.deq.louisiana.gov under Rules and Regulations.

This proposed regulation is available for inspection at the following DEQ office locations from 8 a.m. until 4:30 p.m.: 602 N. Fifth Street, Baton Rouge, LA 70802; 1823 Highway 546, West

FISCAL AND ECONOMIC IMPACT STATEMENT FOR ADMINISTRATIVE RULES

The following information is requested in order to assist the Legislative Fiscal Office in its review of the fiscal and economic impact statement and to assist the appropriate legislative oversight subcommittee in its deliberation on the proposed rule.

- A. Provide a brief summary of the content of the rule (if proposed for adoption or repeal) or a brief summary of the change in the rule (if proposed for amendment). Attach a copy of the notice of intent and a copy of the rule proposed for initial adoption or repeal (or, in the case of a rule change, copies of both the current and proposed rules with amended portions indicated).

LAC 33:III.531.B.3 requires LDEQ to provide notice of any "draft" Nonattainment New Source Review (NNSR) permit to any affected federal land manager or Indian governing body. "Draft permit" is not defined in LAC 33:III.Chapter 5. "Proposed permit" is the term defined by LAC 33:III.502 and used elsewhere in Chapter 5 to denote the version of the permit for which LDEQ offers public participation, affected state review, or EPA review. This rule revision will change "draft" to "proposed."

- B. Summarize the circumstances which require this action. If the Action is required by federal regulation, attach a copy of the applicable regulation.

LAC 33:III.531.B.3 should refer to any "proposed permit," not any "draft permit," in order to make use of the properly defined term as it appears in LAC 33:III.502.

- C. Compliance with Act II of the 1986 First Extraordinary Session

- (1) Will the proposed rule change result in any increase in the expenditure of funds? If so, specify amount and source of funding.

No, this proposed rule will not result in any increase in the expenditure of funds.

- 2) If the answer to (1) above is yes, has the Legislature specifically appropriated the funds necessary for the associated expenditure increase?

(a) ____ Yes. If yes, attach documentation.

(b) ____ No. If no, provide justification as to why this rule change should be published at this time.
